Terms and conditions

General

Weekend event wristbands must be worn correctly at all times, there will be no re-entry without one. Glass containers and bottles are not allowed within the public bounds of the site, any persons requiring these items as part of their display or business must take reasonable steps to ensure that the public do not have access to them. Any persons found trying to bring such items into the public areas or found with them will be asked to remove them immediately.

Open fires, campfires and charcoal barbecues are not allowed within the whole site. Gas barbecues if used must be sited so that the public cannot come into contact with any hot surface. All barbecues must be purpose-built and portable, standing clear of the ground. There must be no possibility of damage to the ground. Any person using a gas barbecue must have a serviceable fire extinguisher to hand.

Generators

Generators are allowed on site, however diesel generators are preferred to petrol generators because of the fire risks involved with fuel storage and refuelling. No hot refuelling is to take place, all generators must be turned off and allowed to cool before refuelling commences. All generators should be fitted with an emergency cut-off switch. Generators must be switched off and not used between **12 midnight and 7.00 am**.

Generators in the campsite: Any person intending to use a generator in the campsite must have **pre-booked** their camping pitch and are advised they will be allocated a pitch within a designated area for generator use. Please be considerate in your use of generators and do not leave them running when not required. Generators must be switched off and not used between **12 midnight and 7.00 am**.

Vehicle Use

All vehicle movement will be subject to a strict 5mph speed limit at all times on site. All non-essential vehicles must be removed from the site before 9.30 am, none will be allowed back within the site until 5:15pm on show days. **Exhibiting vehicles not in position before the event start time will be denied access unless due to extenuating circumstances.** No vehicle movements between 10.00am and 5.00 pm. No vehicles to be parked on any service road. The event field is deemed a public highway and therefore any self-propelled machine must be insured if the machine is to be driven on the event field. Any person wishing to drive any machine on the event site must hold an appropriate driving licence. Driving licences and insurance documents must be available for inspection on the day.

Camping / Overnight Stay

Anyone camping over the weekend must have a **weekend** wristband. To comply with regulations all persons remaining overnight at the event must be registered. All those staying must be situated in the camping area. The only exceptions are re-enactors staying within their display and stall holders in the events arena. No caravans or modern vehicles will be sited in the Camp itself (strictly 1940s era only). The adjacent camping area is open grassland. All camping pitches must be pre-booked and are allocated and numbered. **Each pitch is marked out for the size requested and paid for. Any motor home/caravan/vehicle/tent over 6 metres is required to book a large camping pitch.** Any groups or friends wishing to camp together must submit all applications together. Motor homes, caravans, tents, vehicles and camping equipment including guy ropes must be kept within the confines of the allocated pitch. All electrical leads and cables are to be suitably covered so they do not create a trip hazard. All guy ropes should be highlighted with high visibility markings or covered in order to eliminate trip hazards. The pitch provided is wide enough for a tent or caravan/motor home plus awning. There should be enough space to park a vehicle too. If car/vehicle cannot fit within the allocated space, they must be removed to the public car park. Camper's rubbish must be bagged and disposed of in the skip provided by the main site entrance. **Elsan toilets must be emptied within the disposal tank provided, and not in the toilet pods.** Toilet facilities are provided within the

camping and main site areas. Toilets on site will have alcohol hand wash only. Fresh water is freely available both in the main event area and the camping site but there are no dedicated washing or showering facilities. Early visitors welcome but please be aware that the main event toilets will not be available until Friday 18th August. You will need your own water and sanitation if you arrive on Thursday. For your own safety make yourself aware of the site fire regulations and firefighting equipment, and its location. With safety in mind, we ask all campers to have their own fire bucket/blanket. We ask all campers to ensure that their pitch is left clear of litter on their day of departure from the site. Due to previous complaints about barking dogs please do not leave dogs unattended for any length of time especially in the camping area. Generators must be switched off and not used between **12 midnight and 7.00 am** therefore only single portable toilets will be available during these hours.

Dance

Entrance to evening dance is by ticket only. No person under the age of 12 years admitted. Food is not included in ticket price, bar and catering facilities are available. No glass, own food or drink to be taken into dance venue. Food purchased from vendors may be taken into the dance. Please respect our food and drink policy. Security officers will be present. For security and safety you agree to bag searches being carried out by security staff (all of whom are licenced and identifiable). 1940s dress encouraged but not essential.

Dogs

All visitors wishing to bring dogs to this event do so at their own risk. All dogs must be on a lead no longer than 2 metres and must be under control at all times. If you have any doubts about your dog's temperament muzzles must be fitted. Aggressive dogs will be refused entry. Any dog fouling must be collected immediately and responsibly disposed or taken home. Please be aware that there will be loud noises from time to time during the weekend which may frighten some dogs. Please do not leave dogs unattended for any length of time. This notice is to protect members of the public and ensure maximum enjoyment, however any dog owner not complying with any part of this notice, will be asked to leave the site. Any queries arising must be referred to the Control Point, security staff or steward..

Re-enactors

Applications by living history and re-enactment Groups to stage static displays during the event are positively encouraged. All Groups/displays must be pre-booked on the application forms provided. All static displays must be covered by Event Public Liability Insurance and a copy of the certificate provided upon application. Display areas will be allocated prior to the event. You will be directed to register with the Re-enactor/Living History co-ordinator prior to setting up, so that you can be directed to your display area. **Please do not set up anywhere other than your allocated area without consultation – you will be required to move if you do.** You may arrive from 2.00pm Thursday 19th August. All displays must be set-up by 0900 hrs on Saturday 19th and Sunday 21st and must not close down before 1700hrs daily (unless pre-arranged with the Re-enactor/Living History co-ordinator). During these display times, all non-period vehicles, tents and other equipment must be removed from the display and all participants must be ready to receive and interact with the public. Participants may camp within their displays or apply for camping in the main camping field. **Open fires may be permitted within displays at the discretion of the Safety Adviser but must be enclosed and raised off the ground**, with no damage caused to the ground, and adequate fire-fighting equipment held on the display. **Fire pits are not to be dug.** Please bag all rubbish into the bags provided and leave your display area clean at the end of your visit.

The Ramsey 1940s Weekend welcomes applications from individual re-enactors who do not wish to stage a static display but wish to take part in the event. Concessionary entry and discounted camping fees are available to such re-enactors who pre-book using the application form provided. **It is a requirement that all such persons are in possession of Public Liability Insurance covering attendance at public events and a copy of the appropriate certificate must be provided upon application.**

Concessionary entry is on condition that you participate fully in the event by remaining in period dress and will interact with the general public during public opening times where

Email: ramsey1940s@gmail.com

appropriate. Persons unable to comply with these requirements will not be entitled to concessionary entry or discounted camping fees and will be regarded as members of the general public; therefore they will be required to pay full entry and camping fees for the weekend. We offer to any solo re-enactor a refund on their concessionary ticket in return for giving 1.5 hours of their time during the course of their visit, in order to carry out stewarding duties on the public entry gates. This will involve meeting and greeting the public, taking admission fees etc. Uniform/costume must be worn. All concessionary tickets must be purchased in advance but upon completion of your gate duty you will be issued a ticket, which can be exchanged at show control for a cash refund on your ticket.

All weapons carried or displayed must comply with current firearms legislation and owners are required to provide upon request to any Police Officer/PCSO/Firearms Licensing Officer, or any Event Marshal, firearms and/or deactivation certificates for any firearm carried or displayed. Please note: **The discharge of any blank ammunition, pyrotechnic or firework within the Ramsey 1940s weekend site (Other than by prior permission from Show Control) is STRICTLY FORBIDDEN** and any person doing so will be immediately removed from the site. **NO WEAPONS ARE TO BE TAKEN INTO THE BIG TOP OR DRILL HALL BAR** unless planned as part of the entertainment by the show organiser.

Stall holders

All stall holders will be allowed access to the site from 2.00 pm on Thursday 17th August. Any person causing an obstruction at the main entry gate may be asked to move or risk refusal to the site. On entry all will contact the control point, book in and be directed to their pitch. None are to set up their pitch before doing so. Stall holders must have all paperwork/passes to hand including completed risk assessments if not already submitted. All stall holders are to keep within their allocated pitch area, this will include any guy ropes and display items. Stalls wishing to be placed adjacent to each other must send their forms and payments at the same time with the request included. A layout of the site will be at the control point. Each pitch is marked out for the size requested and paid for. No additional space will be available. Stewards will be on hand to guide traders to their position and allocated area. Fire and emergency access routes will be clearly marked. Stalls must not obstruct these routes. All electrical leads and cables are to be suitably covered so they do not create a trip hazard. All guy ropes should be highlighted with high visibility markings or covered to eliminate trip hazards. The event starts at 10.00 am on Saturday 19th August 2023 and traders should ensure they are set up well before this time. All stall holders must be clear of the site by 4.00 pm on Monday 21st August 2023.

For the health & safety of the public, high standards need to be maintained. All traders must comply with a number of regulations. All stalls must comply with fire, health & safety regulations and a fire risk assessment must now be provided for every unit/stall. The Stalls will be inspected by the events health & safety officer before the event start. Stalls found not complying with health & safety regulations will be asked to rectify the problem immediately or face removal from site. Anything that could be construed as a child's toy should be correctly labelled and meet all relevant standards. Vehicles must fit to the rear of and within the pitch width ordered. Any guy ropes must also be accommodated within the pitch width and depth. No vehicle will be parked on any service road. Any vehicle that may need to be used off site during the event opening times will need to be moved into the car park prior to opening as **all vehicle movement is forbidden between 10.00am and 5.00 pm.** The Committee are working very hard to make this year's event clean and green. We require all stall holders to provide their own refuse bags and place full bags into the skips. Use the skips and not the public bins for trade waste. Collect rubbish from around stall. Clear up all your waste (including food) and dispose of in skips regularly, and before you leave. Take all gas cylinders and used oil containers away with you. Report any problems to stewards or control point immediately. Stalls which comply with our guidelines will be invited back next year.

Refund Policy

Please note that all purchases of tickets and passes are final and that no refunds will be given.

The Committee reserve the right to remove any persons and their equipment from the event/site at any time.
